

WubbaNub®

THE *Original* PACIFIER-PLUSH COMBO

In 1999, Carla and her family embarked on their first vacation with their newborn son Bret. Hoping for a relaxing week away, they encountered a challenge when Bret, unable to grasp his pacifier, became upset. In a stroke of inspiration, Carla used the hotel sewing kit to attach his beloved plush toy to the pacifier. Thus, the first WubbaNub was born.

SUSTAINABLY DEVELOPED PACKAGING

Our latest innovation is a sustainably-made pouch, made using PCR packaging. PCR, or post-consumer recycled plastics, gives used plastics a second life. It reduces the amount of waste produced and collected, making it better for the environment with less waste in landfills and water sources.
